Meals on Wheels of Mercer County (formerly Meals on Wheels of Trenton/Ewing) is a comprehensive nutrition program committed to providing nutritious meals and related services which are designed to promote the independence, dignity, health and well-being of our home bound customers.

**So Much More Than A Meal . . .**

A Message From our Executive Director

2015 was a year of ramping-up for change in 2016! As you will notice, the most obvious change for us is in our name—Meals on Wheels of Mercer County, to more adequately reflect our new service areas.

As we began 2016, we expanded our operations into 6 additional municipalities: East Windsor, Hightstown, Princeton, West Windsor, and areas within Lawrence and Hamilton, in addition to our historic service areas of Ewing and Trenton. Meals on Wheels of Mercer County is very pleased to be able to offer our services to those that need them in these additional municipalities.

Our long standing partner in home delivered meal service, the Red Cross of Central Jersey, decided to focus entirely on their mission of emergency response, and as a result we gained the areas where they terminated services. In addition, the small Princeton/East/West Windsor/Hightstown program were also left without a home, and we gladly

**Profile: Two Very Different Participants**

“Jane” to be able to receive nutritious, home-delivered meals 5 days a week.

“Mrs. Doe” lives alone in the house she’s lived in for 40 years. She is 83 years old, and is relatively healthy. She has a loving family living nearby that check up on her regularly. She has a pacemaker, slight onset of dementia, high blood pressure, and recently took a fall which put her in the hospital. Her family is very worried about their mother using the stove as the gas has been left on before. Since they work during the day, they reached out to see if we could serve their mother healthy meals instead of the frozen meals high in fat and sodium, that she was eating. “Mrs. Doe” is of modest means, and keeping her house is a challenge; she is left with very little at the end of the month. She too qualified for the SMP, and the family appreciates the daily check-in that our volunteers provide, as well as the nutrition tailored to her heart doctors’ orders. She enjoys our meals so much that she has requested to receive them on the weekends, too!

“Jane” is 53 years old and lives alone in her apartment. Unfortunately, she has become disabled due to a rare neurological disorder that causes occasional seizures, debilitating migraines, and has led to degenerative discs in her spine. A few years ago, she was victim to an electrical fire and suffered 3rd degree burns. She lives with constant pain. Exposure to sun can cause a seizure, so she spends a lot of time indoors. “Jane” recently took a fall, and shattered her wrist. Her ankle was badly swollen, and mobility was a problem. For months, cooking food was a struggle for her. Her closest relative is her mother, who is 77 and lives an hour away, so she fend for herself most of the time. On a monthly income of $850, she is struggling to acquire the resources she needs to be self-sufficient and remain in her home during this difficult time. The expansion of the Subsidized Meal Program (SMP) into 6 additional municipalities now allows for people like stepped up! Our expansion into the northern areas of our county brings new opportunities for those who could not afford to contribute toward the cost of meals previously.

As the largest provider of subsidized meals in the county, Meals on Wheels of Mercer County continues to maintain its policy of not turning away anyone who cannot afford the meals, nor maintain a waiting list. As long as we are able to raise enough funds and receive contributions like you, we expect this policy to continue well into the future.

Meals on Wheels of Mercer County may have a new name, but our mission and services remain the same; to keep the homebound healthy, independent, at home, and out of long term care for as long as possible.

MOWMC is always looking for new Volunteers!

News from Meals on Wheels America!

The National Commission on Hunger was charged with developing innovative reforms for food assistance programs in the United States. It is comprised of nine individuals appointed by Congressional leadership in 2014. After much research, deliberation and testimony from hundreds of stakeholders and individuals, the Commission released their report to Congress and the Administration on January 4: Freedom From Hunger: An Achievable Goal for the United States of America. The report includes a set of 20 recommendations, two of which are directly related to reducing hunger and food insecurity among seniors and individuals nationwide.

The two recommendations pertaining to the participants we serve specifically request that Congress work with the U.S. Departments of Agriculture and Health and Human Services to develop mechanisms to provide home-delivered meals through some Medicare and Medicaid programs. The Commission’s recommendations to improve nutrition assistance options for people who are disabled or medically at risk, recognizes the evidence that Meals on Wheels improves health and quality of life for America’s most vulnerable older citizens. Ensuring that no senior in need struggles with hunger and isolation is not only an investment in our nation’s fiscal future, but it is also a preventative prescription for significantly reducing Medicare and Medicaid expenses.

This is an important first step in ensuring that Meals on Wheels is fully recognized as a proven public-private partnership that continues to address the growing problems of senior hunger and isolation and is an integral component of our nation’s healthcare system. You can read the report in its entirety by going to https://hungercommission.rti.org and the report is right there on the homepage.

March for Meals Campaign: Help End Senior Hunger

Meals on Wheels of Mercer County is gearing up for another successful March for Meals campaign. March For Meals is an annual event in March, designed to raise awareness of senior hunger and to encourage action at the local level. MOWMC has been hosting a local event for several years now where if you go out to eat at any of the participating restaurants, they donate 10% of their receipts to us! Marsilio’s Kitchen, Blooming Grove Inn, Freddies’s Tavern, and Café 72 all in Ewing, are returning this year. Our new additions are The Revere in Ewing and Piccolo Trattoria in Hopewell. We are thrilled to welcome them into the fold! In addition, during the course of the month, we will be inviting local dignitaries to deliver meals around the county. In the past we have been joined by Mercer County Executive Brian M. Hughes, Ewing Mayor Steinmann, and our Congresswoman Bonnie Watson Coleman. Please come out and dine out to stamp out senior hunger!

Meals on Wheels of Mercer County is looking for volunteers to fill delivery slots, Monday through Friday in all routes in all service areas in Mercer County. Are you looking for an opportunity to make a real difference in someone’s life? What if we told you that this opportunity would also transform you? Are you looking for an opportunity where just your smile, or a kind word will ease the daily isolation of a homebound person? Do you have a few morning hours to spare to perhaps hear a funny story, build community, but most certainly share an experience which will uplift the rest of your day by touching the life of someone else, and by the way, you will also deliver meals! Come join our volunteer team with Meals on Wheels of Mercer County and see for yourself how nourishment is not just about food, but also about the soul! Call us today!!
In an effort to save on postage and trees, Meals on Wheels of Mercer County posts all our donors names in the online edition of our newsletter on our website.

Please go to www.mealsonwheelsmercer.org to view our acknowledgment.

Thank you to all our loyal supporters!
A heartfelt “Thank You” to all our volunteers! We could not do what we do without you!!!!

Meals on Wheels of Mercer County is a 501(c)(3) tax-exempt organization. All contributions are tax-deductible.

A comprehensive nutrition program promoting the dignity and independence of home bound individuals in Mercer County.
