YEARS

iMW™ MEALS on WHEELS MERCER COUNTY

FROM THE BOARD PRESIDENT

Dear Friends,

As I enter my fourth year as president of Meals on Wheels of Mercer County (MOWMC), I reflect on an exciting year of reconnections and refreshed opportunities. Having returned to our full, post-pandemic operations and programming, we are thrilled to be in a position to fully connect with our participants, volunteers, donors, and community partners.

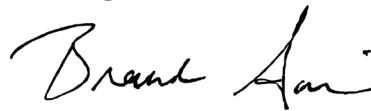

Continuing the theme of celebration, MOWMC recognizes its 50th anniversary this year. From our beginnings in 1973 serving just four participants to the highly efficient operations that now allow us to serve hundreds of meals each week, we are grateful to be able to honor a remarkable history of service to the community. Additionally, MOWMC hosted its inaugural pet walk this spring, in which over 100 attendees witnessed the wide-ranging services that our organization provides to Mercer County. Anchored by our mission, MOWMC seeks to provide nutritious meals and ease social isolation, and we are moved to accomplish these efforts — today and in the years ahead — through our inspiring

participants, incredible staff, generous donors, and dedicated volunteers.

It is an honor to present our annual report for the 2023 fiscal year, which, among other notable data points, highlights the over 96,000 meals that MOWMC served this past year. I hope the contents of this report make you proud to be part of the MOWMC family and motivate you to think about how you can give, or continue to give, your time and resources in the year ahead.

MOWMC is a strong organization with an unwavering commitment to serve our older adult community. We approach the year ahead with confidence that we will continue to support our participants, build on our outreach to underserved populations, and utilize and expand our resources to ensure that our services are always available to those in need.

With gratitude,

Brandon Gaines
President, Board of Trustees
